Above is the list of extra-curricular clubs that we plan to offer for each age group at St Mewan this year. All age groups have a minimum of 1 club for every half term, all of which are free of charge and ran by our own members of staff or a Sporting organisation (any cost of this is paid for by the school). The number of clubs available for our pupils increases as they progress through the school due to their ability to access a wider range of activities at an older age. Our extra-curricular clubs are reviewed and adapted every half term and at the end of the year to ensure that we are meeting the needs of our pupils.
